AT CUNCOLIM - GOA

is a Boutique project with just 12 Apartments within a gated complex in serene South Goa. Surrounded by Hills, Sarzora river and a short drive to pristine sea shore and beaches of Goa. Fairfield, By Saad Infrastructures India Pvt. Ltd., offers a unique investment opportunity in Goa's ever growing real estate market.

With nine 2BHK and three 1BHK apartments, we are building a niche within a gated complex of Suburbia. Enjoy Premium fittings and gorgeous finishes to your dream-home. Each flat is equipped with standard charging points for electric vehicles. Our approach to sustainability is further strengthened by provision of hot water in bathroom through Solar water heaters.

Each apartment is fitted with Granite door frames, Laminate/Blockboard doors and Teakwood main door with frame for long lasting comfort and durability.
